SUMMARY

Motivated, creative, and hard-working web developer who is passionate about building first-class web applications. I am seeking an opportunity to apply and grow my skills.

EDUCATION

Web Developer Diploma Program

CodeCore College

📅 2021 📍 New Westminster, Canada

PROJECTS

Dream Estates

🔗 https://dream-estates.vercel.app/

A fully responsive, multi-page real estate app built using React, Next.js, and Chakra-ui. Users are able to view properties and filter their searches based on criterias such as price, number of rooms, and more.

Sheelove's Blog

🔗 https://sheeloves-blog.herokuapp.com/

A blog where users can create and perform other CRUD actions on their articles. Built using Ruby on Rails for the backend, and Bootstrap for the frontend.

- Developed an authentication system and sessions for users and admin profiles using various Rails gem
- PostgreSQL for storing user data
- Configured all the RESTful routes through controllers

Kanban Board

🔗 https://super-kanban-board.netlify.app

Built using Javascript HTML and CSS, this kanban board allows one to keep track of different tasks throughout their projects. Users are able to add new tasks and drag them to the appropriate column.

Powerful Quotes Generator

🔗 https://powerful-quotes-generator.netlify.app/

An inspirational 'quote generator', built using Javascript, HTML, and CSS. It generates the quotes from an API and lets you instantly tweet a quote at the click of a button.

Sheelove's Hangman

🔗 https://sheeloves-hangman.netlify.app

A game of hangman where you can use either your mouse or the keyboard to guess hidden words. Built using Javascript, jQuery, HTML, and CSS.

TRAINING / COURSES

Frontend Engineer
Codecademy, *ongoing*

SKILLS

JavaScript   HTML   CSS   Ruby

Ruby on Rails   Bootstrap   Github

jQuery   React   Chakra-ui

STRENGTHS

Communication

My background as a technical service representative in telecommunications taught me how to communicate with others

Critical Thinking

I greatly enjoy tackling and solving difficult problems

Quick learner

I am very eager to learn more about my craft and become the best I can be at it

Synergy

Considered a people's person with great energy, I like connecting, sharing ideas and working with others
